

WASHINGTON DC REGION SCCA

Catoctin Monte and ***Blue Ridge Memories*** Road Rallies **Saturday, August 31, 2002 and Sunday, September 1, 2002**

Come and enjoy our great rally roads and superb twin nationals over the Labor Day weekend. Washington DC Region with the assistance of the Branded Rally Club of Maryland is putting on both a Course and a Tour event for our fourth straight year. The committee is the same that put on the twin events that swept all of the individual event awards in 2001.

Eric Bloom's ***Catoctin Monte*** was an instant success last year in its inaugural year as a national event, winning Best New National Rally and Outstanding Touring Rally of the Year. For 2002, Eric has found some great new roads in Virginia, Maryland and West Virginia, and will finish with timing controls on the racetrack at Summit Point, West Virginia, followed by a catered banquet.

Jack von Kaenel will reprise both the map rally concept pioneered by the late Earl Hutson and the equally famous BRM rally in his inaugural event as a national rallymaster — ***Blue Ridge Memories***. Look for great rural roads in northern and western Virginia, brisk speeds, and relatively easy course following with a few tricky intersections. Jean Hutson will join us as an Honorary Chairman for the event. The rally will end early on Sunday to facilitate getting home Sunday evening.

Headquarters will be a new, and inexpensive, Courtyard by Marriott in Dulles Town Center in Sterling, Virginia. It is just a few miles from Dulles Airport. To make reservations, call 1-800-321-2211 and mention the SCCA RoadRally. 20 rooms will be held until August 16 at the special rate of \$59 per night.

For additional information, contact the Rally Chairman, Jim Mirrieles at
2175 N. Pierce St. Blueaegmedia@cs.com
