

WASHINGTON DC REGION SCCA and  
BRANDED RALLY CLUB OF MARYLAND  
present  
**CATOCTIN MONTE and LOBSTER TRAPS**  
October 6-7, 2012

The Washington DC Region of the SCCA, along with the BRANDED Rally Club of Maryland, are pleased to present the return of our double National RoadRally weekend, including a regional half-day option and a National GTA option, on Columbus Day weekend in 2012.

Saturday will feature Eric Bloom's award-winning **Catoctin Monte**. This event is a Monte Carlo style event, which means that teams are given the mileage for every turn and all possible controls, and the perfect Car 0 time to reach that control. Scores are generally low, as no calculations are required! The national event is approximately 200 miles in length, starting at the HQ Hotel (see below) in Frederick, MD at approximately 8am. The regional event, approximately 100 miles in length, starts at a location TBD at approximately 12pm. Both events end together around 5pm at Home at Braddock Inn, when the committee will provide dinner.

Sunday will feature the fourth running of two-time Gervais winning **Lobster Traps Course Rally** and the first **Lobster Traps GTA Rally** presented by Chris Bean and Steve Gaddy. This event will again featuring a variety of basic and challenging traps along the approximately 200 mile route. Lobster Traps will also start at the HQ Hotel around 8am and finish in Mount Airy (15 minutes east of Frederick) around 5pm. It is about 1 hour 15 minutes to Dulles Airport and 45 minutes to BWI Airport from the finish. As such, flying teams should either take a very late flight out on Sunday or wait until Monday.

Rally Headquarters will be the Comfort Inn, 7300 Executive Way, Frederick, Maryland 21704. Phone 301-668-7272 or search for this hotel at <http://www.comfortinn.com/>. Call and mention Sports Car Club of America to receive the \$99/night, double Queen rate which includes breakfast. This rate will be held through **September 5**. Group rates are high in the area this weekend due to a national event, but lower rates may available with advance purchase online.

To reach the hotel from Baltimore, take Interstate 70 West to Frederick, MD. Exit at I-270 South (Exit 53A) toward Washington. Exit at the first exit (31B) on MD 85 South toward Buckeystown. Go Left at third Traffic Light (after approximately  $\frac{3}{4}$  mile) onto Executive Way. The hotel is located approximately 41 miles from the Baltimore beltway.

To reach the hotel from Washington, take Interstate 270 North from the Capital Beltway toward Frederick. Exit at MD 85 South (Exit 31B) toward Buckeystown. Go Left at third Traffic Light (after approximately  $\frac{3}{4}$  mile) onto Executive Way. The hotel is located approximately 31 miles from the Capital Beltway.

Although closer to the Capitol Beltway, travelers with a choice will likely find the trip from BWI more pleasant due to heavy traffic leaving Washington on Friday afternoon and evening.
